Course Description

This is a refresher course for the unit of competency RIIWHS202D Enter and work in confined spaces and is for those who have completed the initial two day course within the last three years.

This course covers the skills and knowledge required to enter and work in confined spaces in the Resources and Infrastructure Industries. This course is appropriate for those working in operational roles undertaking work in confined spaces.

Course Outcomes

In this course you will learn about:

- Updates to legislation, ACTs, Codes of Practice
- Review of any new safety equipment applicable to confined spaces
- General industry updates centered around Entering and Working in Confined Spaces

Upon successful completion of this course, the learner will receive a Statement of Attainment.

Course Assessments

Competency is obtained through both theory and practical assessments. The practical assessment requires you to demonstrate the skills required to be deemed competent. The theory assessment will be undertaken in a written form.

If you feel you will be disadvantaged by undertaking a written assessment, please discuss with your trainer/assessor prior to beginning the theory assessment.

Admission

Learners MUST have completed the full 2 day course, RIIWHS202D Enter and work in confined spaces, within the last three years. Evidence of this MUST be provided prior to commencement of the course.

All attendees MUST have a USI (Unique Student Identifier). We are unable to issue a credential unless a valid USI has been provided.

You will need to apply for a USI prior to the course or be prepared to apply for one on the day (in which case a Driving License and Medicare Card is required).

Attendance

The course will be delivered from our training centre at 31 Whyalla Street, Fishwick, ACT. Safenet can also deliver this course in-house by request.

The duration for this course is 8 hours split into 2 x 4 hour sessions (1 week apart).

There is a 15 minute break for morning or afternoon tea.
