Course Description

This course covers the skills and knowledge required to enter and work in confined spaces in the Resources and Infrastructure Industries. This course is appropriate for those working in operational roles undertaking work in confined spaces.

Course Outcomes

In this course you will learn about:

- Planning out confined spaces work.
- Confined spaces entry permits.

- Choosing and checking safety equipment.
- Preparing and working safely in a confined space.
- Exiting the confined space and finishing the work.

Upon successful completion of this course, the learner will receive a Statement of Attainment.

Course Assessments

Competency is obtained through both theory and practical assessments. The practical assessment requires you to demonstrate the skills required to be deemed competent. The theory assessment will be undertaken in a written form.

If you feel you will be disadvantaged by undertaking a written assessment, please discuss with your trainer/assessor prior to beginning the theory assessment.

Admission

All attendees must have a USI (Unique Student Identifier). We are unable to issue a credential unless a valid USI has been provided.

You will need to apply for a USI prior to the course or be prepared to apply for one on the day (in which case a Driving License and Medicare Card is required).

Attendance

The course will be delivered from our training centre at 31 Whyalla, Street, Fishwick, ACT. Safenet can also deliver this course in-house by request.

The duration for this course 16 hours split into 2 x 8 hours sessions (1 week apart).

There is a 15 minute break for morning or afternoon tea and a 30 minute break for lunch (light lunch is included in the cost).
